

# California Survey of Civic Education - Spring, 2007

## 1. California Survey of Civic Education - Spring, 2007

Dear Students,

We want to know what you think!

Before you start, we want to let you know a few things:

\*This survey is designed to find out what high school seniors think about their schools, their communities, and the government.

\*This is not a test. There are no right or wrong answers.

\*Your answers are confidential. Your answers will be combined with those of other students to describe what California students think, do, and experience.

\*This survey is voluntary. You do not have to answer any question you do not wish to answer. We hope you will answer as many questions as you can.

When you're ready to start, hit the NEXT button. The survey will automatically close when you reach the end.

THANK YOU FOR YOUR HELP!

## 2. Commitment: Personally Responsible Citizenship

Are you currently taking US Government?

Yes

No

If you answered no, have you already taken US Government?

Yes

No

- \* Before you begin, please tell us some information that will help us match your answers on this survey with the survey you took last year. This information will only be used to help us compare your opinions now with your opinions from the previous survey. Your answers will NOT be shared with anyone.

School:

Name of your US  
Government Teacher

(write N/A if you have not  
taken US Government):

Class period when you  
took US Government

(write N/A if you have not  
taken US Government):

Your Student ID#:

# California Survey of Civic Education - Spring, 2007

## 3. Commitment: Participatory Citizenship

How do you feel about different kinds of community involvement? Please indicate your agreement with each statement using the boxes below.

|                                                                                                                                  | Strongly Disagree     | Slightly Disagree     | Undecided             | Slightly Agree        | Strongly Agree        |
|----------------------------------------------------------------------------------------------------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| a. Being concerned with national, state, and local issues is an important responsibility for everybody.                          | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| b. Everyone should be involved in working with community organizations and local government on issues that affect the community. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| c. I think it is important to get involved in improving my community.                                                            | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| d. Being actively involved in state and local issues is my responsibility.                                                       | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| e. I think it's important to challenge inequalities in society.                                                                  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| f. I think it's important to think critically about laws and government.                                                         | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| g. I think it's important to protest when something in society needs changing.                                                   | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

# California Survey of Civic Education - Spring, 2007

## 4. Political Interest, Patriotism, Concern for Welfare, Political Orientation

The statements below refer to attitudes about politics, government, and America. Please indicate your agreement with each statement using the boxes below.

|                                                                                             | Strongly Disagree     | Slightly Disagree     | Undecided             | Slightly Agree        | Strongly Agree        |
|---------------------------------------------------------------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| a. Once I am 18, I expect I will vote regularly.                                            | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| b. I am interested in political issues.                                                     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| c. I think I know enough to be an informed voter.                                           | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| d. I always try to learn about current social and political issues.                         | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| e. I think that people in government care about what people like me and my family need.     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| f. In America, everyone should be treated equally.                                          | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| g. Those who are well off in this country should help those who are less fortunate.         | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| h. Basic services such as health care and legal assistance should be available to everyone. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| i. It is not right for people to go hungry in our country.                                  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

# California Survey of Civic Education - Spring, 2007

Please indicate your agreement with each statement using the boxes below.

|                                                                                                    | Strongly Disagree | Slightly Disagree       | Undecided          | Slightly Agree     | Strongly Agree |
|----------------------------------------------------------------------------------------------------|-------------------|-------------------------|--------------------|--------------------|----------------|
| a. I support US policies because they are the policies of my country.                              | jn                | jn                      | jn                 | jn                 | jn             |
| b. I think it's good when people discuss their country's problems.                                 | jn                | jn                      | jn                 | jn                 | jn             |
| c. It is un-American to criticize this country.                                                    | jn                | jn                      | jn                 | jn                 | jn             |
| d. It's good for the country that people speak up when they oppose US policies.                    | jn                | jn                      | jn                 | jn                 | jn             |
| e. I have great love for the US.                                                                   | jn                | jn                      | jn                 | jn                 | jn             |
| f. To be truly patriotic, one has to be involved in the civic and political life of the community. | jn                | jn                      | jn                 | jn                 | jn             |
|                                                                                                    | Very Conservative | Moderately Conservative | Middle of the Road | Moderately Liberal | Very Liberal   |
| How would you describe yourself politically?                                                       | jn                | jn                      | jn                 | jn                 | jn             |

## 5. Civic Skills

Suppose you found out about a problem in your school or community that you wanted to do something about. Please mark how much you agree or disagree with the statements below.

|                                                                       | Strongly Disagree | Slightly Disagree | Undecided | Slightly Agree | Strongly Agree |
|-----------------------------------------------------------------------|-------------------|-------------------|-----------|----------------|----------------|
| a. I would be able to create a plan to address the issue.             | jn                | jn                | jn        | jn             | jn             |
| b. I would be able to organize and run a meeting.                     | jn                | jn                | jn        | jn             | jn             |
| c. I would be able to find and examine research related to the issue. | jn                | jn                | jn        | jn             | jn             |
| d. I would be able to express my views in front of a group of people. | jn                | jn                | jn        | jn             | jn             |

Please mark how much you agree or disagree with each of the statements below.

|                                                                                         | Strongly Disagree | Slightly Disagree | Undecided | Slightly Agree | Strongly Agree |
|-----------------------------------------------------------------------------------------|-------------------|-------------------|-----------|----------------|----------------|
| a. I believe people like me can make a difference in the community.                     | jn                | jn                | jn        | jn             | jn             |
| b. There are issues in my community or in the broader society that I care deeply about. | jn                | jn                | jn        | jn             | jn             |
| c. I feel connected to others who are working to improve society.                       | jn                | jn                | jn        | jn             | jn             |
| d. I know about other people who care about the same social issues that I do.           | jn                | jn                | jn        | jn             | jn             |

# California Survey of Civic Education - Spring, 2007

Please mark the answer that indicates how much you agree with each of the statements below.

|                                                                                                                  | Strongly Disagree     | Slightly Disagree     | Undecided             | Slightly Agree        | Strongly Agree        |
|------------------------------------------------------------------------------------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| a. I think it's important that the government ensures that all students have access to a high quality education. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| b. I think it's important that the government provides basic health care for everyone.                           | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| c. I think it's important that the government provides a decent standard of living for old people.               | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

How do you feel about working with other people? Please mark the answer that indicates how much you agree with each of the statements below.

|                                                                                                                        | Strongly Disagree     | Slightly Disagree     | Undecided             | Slightly Agree        | Strongly Agree        |
|------------------------------------------------------------------------------------------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| a. I can learn a lot from people with backgrounds and experiences that are different from mine.                        | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| b. I think it's important to hear others' ideas even if I find their ideas very different from mine.                   | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| c. I enjoy working in groups or on projects with people with backgrounds and experiences that are different from mine. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

6. Political Knowledge

THE NEXT SECTION ASKS YOU ABOUT POLITICAL FACTS.

PLEASE REMEMBER, THIS IS NOT A TEST. IF YOU DON'T KNOW AN ANSWER, SIMPLY MARK "I DON'T KNOW" IN THE BOX PROVIDED.

# California Survey of Civic Education - Spring, 2007

## 7. Political Facts

The questions below ask what you know about politicians or political processes. This is not a test and will not be graded. Please answer the questions as best you can.

What job or office is held by Dick Cheney?

- Secretary of State     Vice President     Chief Justice of Supreme Court     House Majority Leader     I don't know

Whose responsibility is it to determine if a law is constitutional or not?

- President     Congress     Supreme Court     I don't know

How much of a majority is required for the US Senate and House to override a presidential veto?

- 51%     2/3     3/4     3/5     I don't know

Right now, which political party has the most members in the House of Representatives in Washington?

- Democrats     Republicans     Other     I don't know

Which political party is considered more conservative at the national level?

- Democrats     Republicans     They're equally conservative     I don't know

Who are the US Senators representing California? PLEASE MARK UP TO 2 ANSWERS.

- Arnold Schwarzenegger     Barbara Boxer     Gray Davis     Antonio Villaraigosa     Dianne Feinstein     Donald Rumsfeld     John Ashcroft     Arianna Huffington     I don't know

The next 3 questions refer to the following passage:

We the citizens have had enough! A vote for the Silver Party means a vote for higher taxes. It means an end of economic growth and a waste of our nation's resources. Vote instead for economic growth and free enterprise. Vote for more money left in everyone's wallet! Let's not waste another 4 years! VOTE FOR THE GOLD PARTY!!

This is a political advertisement which has probably been issued by...

- a. the Silver Party  
 b. a party or group running against the Silver Party  
 c. a group which tried to be sure elections are fair  
 d. the Silver Party and the Gold Party together

The authors of the advertisement think that higher taxes are...

- a. a good thing  
 b. necessary in a free market economy  
 c. necessary for economic growth  
 d. a bad thing

## California Survey of Civic Education - Spring, 2007

The party or group that has issued this advertisement is likely also to be in favor of...

- a. reducing government control of the economy
- b. lowering the voting age
- c. capital punishment
- d. more frequent elections

# California Survey of Civic Education - Spring, 2007

## 8. Civic Activities

The next section asks about activities you may have been involved with outside of school.

Please mark the answer that shows how frequently you've been involved in each activity.

|                                                                                                                                               | Never                 | Once                  | A Few Times a Year    | Once a Month          | More than Once a Month |
|-----------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|------------------------|
| a. I have volunteered in my community (for example: by tutoring, mentoring, doing environmental work, working with the elderly, etc.).        | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>  |
| b. I have done something to help raise money for a charitable cause. (for example: participate in run/walk/ride, bake sale, etc.)             | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>  |
| c. I have worked with a group to try to change a policy or law in my community, state, or nation.                                             | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>  |
| d. I have taken part in a peaceful protest, march, or demonstration.                                                                          | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>  |
| e. I have worked to change a school policy or school rule.                                                                                    | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>  |
| f. I have participated in a poetry slam, youth forum, musical performance, or other event where young people expressed their political views. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>  |

## 9. Civic Opportunities

The following statements refer to your US Government Class. Please mark the answer that indicates how often you did each of the following activities.

In my US Government class...

|                                                                                                                                                                                    | Never | Sometimes | Often | Very Often |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|-----------|-------|------------|
| a. We learned a lot of information about the structure of the government and how it works (for example: how a bill becomes a law, the 3 branches, age minimum for President, etc.) | jñ    | jñ        | jñ    | jñ         |
| b. Our teacher emphasized how important it is to be informed about political issues and to act on issues we think are important.                                                   | jñ    | jñ        | jñ    | jñ         |
| c. We discussed issues that matter to me.                                                                                                                                          | jñ    | jñ        | jñ    | jñ         |
| d. Our teacher emphasized the benefits of our constitution and system of government.                                                                                               | jñ    | jñ        | jñ    | jñ         |

# California Survey of Civic Education - Spring, 2007

The following questions refer to your experiences in high school this last year. Please mark the answer that indicates how often you did each of the following activities in your classes during this school year.

In our classes this year...

|                                                                                                   | Never | Sometimes | Often | Very Often |
|---------------------------------------------------------------------------------------------------|-------|-----------|-------|------------|
| a. We learned about problems in our society and what causes them.                                 | jñ    | jñ        | jñ    | jñ         |
| b. We shared our perspectives on current events.                                                  | jñ    | jñ        | jñ    | jñ         |
| c. We learned information about or researched current issues in the community or broader society. | jñ    | jñ        | jñ    | jñ         |
| d. We discussed political and social topics where students expressed different opinions.          | jñ    | jñ        | jñ    | jñ         |
| e. Teachers encouraged students to make up their own minds about political and social topics.     | jñ    | jñ        | jñ    | jñ         |
| f. We talked about patriotism and what it means.                                                  | jñ    | jñ        | jñ    | jñ         |

# California Survey of Civic Education - Spring, 2007

The following questions refer to your experiences in high school this last year. Please mark the answer that indicates how often you did each of the following activities in school during this school year.

In school this year...

|                                                                                                                                                              | Never | Sometimes | Often | Very Often |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|-----------|-------|------------|
| a. I worked on a community service project.                                                                                                                  | jñ    | jñ        | jñ    | jñ         |
| b. I analyzed issues related to my community.                                                                                                                | jñ    | jñ        | jñ    | jñ         |
| c. I participated in school clubs or organizations (like an ethnic/cultural club, drama club, student government, school newspaper or others).               | jñ    | jñ        | jñ    | jñ         |
| d. I participated in political or legal role-plays. (For example mock elections, campaigns, trials, press conferences, lobbying events, or budget meetings). | jñ    | jñ        | jñ    | jñ         |
| e. I had the opportunity to plan a meeting.                                                                                                                  | jñ    | jñ        | jñ    | jñ         |

The following questions refer to your experiences in high school this last year. Please mark the answer that indicates how often you did each of the following activities in your classes during this school year.

In our classes this year...

|                                                                                                                                                                       | Never | Sometimes | Often | Very Often |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|-----------|-------|------------|
| a. We learned about people and groups who work to make society better.                                                                                                | jñ    | jñ        | jñ    | jñ         |
| b. We met people who work to make society better.                                                                                                                     | jñ    | jñ        | jñ    | jñ         |
| c. We learned how to find sources that give different perspectives on a topic or issue.                                                                               | jñ    | jñ        | jñ    | jñ         |
| d. We learned how to identify relevant questions, facts, or pieces of information that are left out of news reports, political speeches, or political advertisements. | jñ    | jñ        | jñ    | jñ         |
| e. We talked about the values or points of view that are represented in media stories or advertisements.                                                              | jñ    | jñ        | jñ    | jñ         |
| f. We learned how to assess the trustworthiness of information we find on the web.                                                                                    | jñ    | jñ        | jñ    | jñ         |
| g. We were required to use the internet to get information about political or social issues.                                                                          | jñ    | jñ        | jñ    | jñ         |
| h. We were required to use the internet to find different points of view about political or social issues.                                                            | jñ    | jñ        | jñ    | jñ         |
| i. We were given an assignment where we had to create something to put on the web.                                                                                    | jñ    | jñ        | jñ    | jñ         |

## 11. Digital Media

The next questions ask you about your experiences using technology and the internet, both in and outside of school.

On average, how often do you...

|                                                                                                                                          | Never | Less than<br>Once a<br>Month | Once a<br>Month | A Few Times<br>per Month | Once a<br>Week | A Few Times<br>a Week | Daily | Several<br>Times a<br>Day |
|------------------------------------------------------------------------------------------------------------------------------------------|-------|------------------------------|-----------------|--------------------------|----------------|-----------------------|-------|---------------------------|
| a. Use e-mail, text messaging, or instant messenger to communicate with friends or family?                                               | jn    | jn                           | jn              | jn                       | jn             | jn                    | jn    | jn                        |
| b. Use blogs, diary, or social networking sites (like My Space) to socialize with people (friends, family, or people you've met online)? | jn    | jn                           | jn              | jn                       | jn             | jn                    | jn    | jn                        |
| c. Use e-mail to communicate with others who are working on a political or social issue?                                                 | jn    | jn                           | jn              | jn                       | jn             | jn                    | jn    | jn                        |
| d. Use blogs or social networking sites (like MySpace) to share or discuss perspectives on political or social issues?                   | jn    | jn                           | jn              | jn                       | jn             | jn                    | jn    | jn                        |
| e. Use the internet to get information?                                                                                                  | jn    | jn                           | jn              | jn                       | jn             | jn                    | jn    | jn                        |
| f. Use the internet to get information about political or social issues?                                                                 | jn    | jn                           | jn              | jn                       | jn             | jn                    | jn    | jn                        |

# California Survey of Civic Education - Spring, 2007

On average, how often do you...

|                                                                                                                                                                                              | Never | Less than<br>Once a<br>Month | Once a<br>Month | A Few Times<br>per Month | Once a<br>Week | A Few Times<br>a Week | Daily | Several<br>Times a<br>Day |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|------------------------------|-----------------|--------------------------|----------------|-----------------------|-------|---------------------------|
| a. Use blogs, online journals, social networking sites (like My Space), wikis, web communities, and auction sites to share or create media (such as TV/video clips, music, artwork, poetry). | 10    | 10                           | 10              | 10                       | 10             | 10                    | 10    | 10                        |
| b. Play games on your computer, console or handheld device (such as Play Station , Xbox, PlayStation Portable)?                                                                              | 10    | 10                           | 10              | 10                       | 10             | 10                    | 10    | 10                        |
| c. If yes, how often do you play these games with other people?                                                                                                                              | 10    | 10                           | 10              | 10                       | 10             | 10                    | 10    | 10                        |
| d. Play simulation games (like The Sims, Civilization)?                                                                                                                                      | 10    | 10                           | 10              | 10                       | 10             | 10                    | 10    | 10                        |
| e. Play Grand Theft Auto, Driv3r, or The Getaway?                                                                                                                                            | 10    | 10                           | 10              | 10                       | 10             | 10                    | 10    | 10                        |
| f. Play World of Warcraft, City of Heroes or other massively multi-player online role-playing games (MMORPGS)?                                                                               | 10    | 10                           | 10              | 10                       | 10             | 10                    | 10    | 10                        |

Parent 2)

## 14. Untitled Page

You've reached the end of the survey. Thank you for taking the time to share your opinions with us.

### OPTIONAL:

In the next two years, we would like to contact a small number of students to ask them to take a similar survey. Students who participate will be paid. If you are willing to be contacted in the future about taking a survey, please fill out the information below.

If not, please leave those questions blank and click NEXT to exit the survey.

If you'd like to be contacted to participate in the future, please type your NAME, E-MAIL ADDRESS, AND HOME MAILING ADDRESS in the space below.
